David's Patio, Ltd.

is pleased to announce that on September 8, it purchased

Kansas City Art Statuary

from Richard Jacobson and Gregg Herman.

The move of the molds, inventory, equipment, business systems, and intellectual properties to our factory in Springtown, Texas is complete.

We have long admired and respected ***Kansas City Art Statuary*** which was begun by members of the Rossi family in the 1960's about the same time that David Grimmatt began production under the David's Patio name in Texas.

Over the intervening years, ***Kansas City Art Statuary*** became known for its high quality and beautiful, highly detailed classic statuary, fountains, birdbaths, vases and urns, while continuing to develop more products and introduce contemporary designs. It also developed a Nationwide distribution system.

Coincidentally, a business goal of David's Patio, Ltd. for 2010 was to develop such a customer base, and work had already begun when we heard that ***Kansas City Art Statuary*** was being offered for sale.

Mark O'Reilly, company President, immediately set up a trip to Kansas City and came home convinced that the purchase would benefit both us and our customers who would have endless choices to satisfy their customers tastes, needs, and pocketbooks. With the support of Cecilia Grimmatt, David's Patio major shareholder, the wheels were set in motion and within three weeks an agreement was reached.

Our plan is to continue to produce ***Kansas City Art Statuary*** using the same high standards for quality and fair business practices that always have been associated with their company. This product line will be offered in conjunction with the David's Patio line and you may combine products from both in a single order.

If you are not familiar with ***Kansas City Art Statuary***, our sales consultants will be happy to set up an appointment to show you the catalog and explain the program.

You are going to be truly amazed and delighted that this line of premium quality and beauty is available to you at a price that can't be beat.

We send this with our best wishes for a better 2011 and our appreciation for your loyalty to us.
